

## **ANNUAL MEETING JUNE 3, 2016**

The Annual Meeting/Reception of the Board of Directors, Advisory Board and Friends of Children's Bereavement Center Board was held at the Center on Friday, June 3. While general attendance was good, there was not quite a quorum of governing board members present. Hence no formal action was taking with regard to election of officers or with regard to approval of financial statements and minutes from the April meeting.

The election of proposed officers was instead held via electronic vote, affirmed by Board Development Chair Scott Gruendler, on June 9, 2016. The proposed slate, which included renewal of the 2015-16 officers for an additional one year term was unanimously approved, to include:

Bill Day, Chair  
Jacqui Peace, Vice Chair  
Andrew Himoff, Secretary  
Curtis Ruder, Treasurer

Financial statements and minutes from the April meeting will be deferred until the August 23, 2016 Board Meeting.

Marian Sokol, Executive Director
